DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 1-4, 7-13, 19-22, 24-30, 35-38, and 41-54 are rejected under 35 U.S.C. 102(e) as being anticipated by European Patent No 0500391 (cited by applicant).

European patent cited by applicant disclose an apparatus and method for reproducing information with different scanning modes. An information recording apparatus such as CD player successively reproduces portions of the first pieces of information such as musical (audio) information, recorded in media such as CDs, over a predetermines period of time in a disk highlight scanning mode. These is provided a controller which select the disk highlight scanning mode (see the abstract).

With respect to 24, 41 and 54, for data of the track being audio track, 4 in Fig 1 represent audio signal processor for producing audio output, also see abstract.

In claim 54, line 1, "claim 54" should be changed to –claim 43--.

Allowable Subject Matter

Claims 16-18 are allowed.

Claims 5, 6, 14, 15, 23, 31-34, 39 and 40 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
